

HOW BEING ACTIVE IN SERVICE HELPS MY RECOVERY

Serving on the District 12's Alcathon committee helped me to become part of a larger fellowship than just the regular meetings I attend. – Lynne T.

FUNCTIONS

Being a part of the District 12 has given me so much laughter, the ability to love others who struggle and an understanding about recovery and the Service structure. More than I could ever imagine! And I've made friends who are an inspiring part of my life. - Renee C.

In the beginning, Service got me out of me and I didn't have time to think about drinking because I was so involved. I had very little idle time to dwell on alcoholic thinking. Today, Service work keeps me focused on my sobriety and I learn acceptance by helping other to help them. - Terry F.

Being involved in Service has given me a better understanding of how and why AA works. It has also helped me to develop working relationships with others of different opinions from my own. – Randy G.

Workshops

Having the responsibility of Service work, others are counting on me to serve in the capacity of being part of a recovery team for us to grow and strengthen spiritually in recovery. – Russ O.

For more information on service opportunities see your Group's GSR or join us at the monthly District Meeting located at St. Raphael's Church, Ferry St. on the third Sunday of each month at 6:00 pm.
